LEGACY GIVING AND DONATIONS

How your generosity will help

- £50 enables us to plant 5 saplings on your behalf.
- £100 pays for one fully-grown tree to be nurtured and cared for.
- £600 allows us to plant and care for half an acre of woodland.
- £2500 enables us to plant and care for 1000 trees.
- £5000 makes it possible for us to buy 1 acre of land to fully restore.

Community Forests Northwest is an environmental regeneration charity, supporting The Mersey Forest and Red Rose Forest to achieve major environmental improvements in and around Greater Manchester, Merseyside and North Cheshire. We are creating beautiful woodland environments, rich in wildlife, which are attractive places for businesses and local communities to enjoy and explore. Combined, The Mersey and Red Rose Forest will see over 50 million trees planted enhancing the lives of the 3.2 million people that live within the Forests' boundaries.

- If you prefer not to appear on the website donors list please tick here
- If you would prefer not to receive further details about the work of Community Forests Northwest, Red Rose Forest or The Mersey Forest, please tick this box. We will not pass on information to any third parties.

We will be sure to acknowledge all donations.

Gift Aid Declaration

Every time you make a donation we can increase it by 28%. Providing you are a UK tax payer we can claim an extra 28p for every £1 donated. I agree that Community Forests Northwest can reclaim the tax on all donations that I have made since 6 April 2000 and all donations I make there after.

A single Beech tree can provide enough oxygen for ten people to breathe everyday for a lifetime.

Community Forests Northwest, an environmental charity working across Greater Manchester, Merseyside and North Cheshire is planting more than 50 million trees over 40 years and you can become a part of their work.

By leaving Community Forests Northwest a gift in your will or making a donation, you can help create a greener and healthier environment for generations to come.

Making a will gives you peace of mind to know that your possessions will go exactly where you want them to when you die. In the UK, more than 60% of charitable income comes from legacies - a gift left to charity in your will. This is vital money but only 13% of all wills contain a charitable donation.

Ways to help Community Forests Northwest

Pecuniary Legacy (Specific cash bequest)

If you choose this option you will be leaving a gift of a fixed amount. However inflation can reduce the value of this gift over time.

Residuary Legacy

The residue of your estate is any amount left once you have taken into account all your family and friends.

Your solicitor will be able to advise you of the options available to you. Please contact Rebecca Calvert on 0161 872 1660 for further details about leaving a legacy to Community Forests Northwest.

Donation

You may also wish to donate to us now. You can do this in memory of a loved one, as many people now prefer friends and family to make a donation to a charity rather than sending flowers. You can also make a simple donation as a gesture of support for our work.
